| Spelling and grammar are correct   |                |      |      |      | yes       |

What was your overall first impression of the website?

It looked really nice.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

Yes. It looked good at first, but the layout was messed up on my phone

What do you feel are the most effective design elements of this web portfolio?

Overall it looked like a good site

What would you suggest be changed with the design or content of this web portfolio?

Fix it to work on phones.
